WELCOME

Dear colleague,

We are pleased to invite you to the 3rd Meet the Myeloma Experts event taking place on 8 November 2018 at Zurich Airport.

The scientific programme will provide a comprehensive overview of the latest research developments in multiple myeloma. Highlights of the symposium include lectures of Prof. Paul Richardson, Dana Farber Cancer Institute, Boston, Prof. Joseph R. Mikhael, International Myeloma Foundation, North Hollywood and Prof. Philippe Moreau, Hematology Department, University Hospital, Nantes. Interactive case discussions with live voting will foster the experience exchange among colleagues.

For your registration please use the enclosed registration form or register online at www.eiseverywhere.com/mm.

We are looking forward to your participation and a meaningful discussion.

Kind regards,

Prof. Dr. U. Mey

Prof. Dr. C. Renner

Dr. C. Taverna

Dr. T. Zander
